## COMPUTER SCIENCE ENGINEERING STUDENT

Motivated and results-driven Computer Science Engineering student with a passion for coding, problem-solving, and software development. Eager to contribute to innovative projects and apply skills in algorithms and data structures.

---

## PROFESSIONAL EXPERIENCE

**Word Publishing, Mumbai | Software testing Intern | On Site**

**June 2023 - Jul 2023**

I conducted diverse technical tests for software and websites, ensuring quality and functionality. I engaged in manual, compatibility, exploratory, functional, performance, and regression testing. Collaborated on Repro India's Bookscape, Adobe Express, and Content Authentication Initiative.

**Casio India , Delhi | Campus Ambassador | Remote**

**Nov 2022 - Apr 2023**

I completed tasks for Casio India in college, including posting calculator content on Facebook, Instagram, and 1st-year WhatsApp group for brand awareness and held various events and ads across campus .

**International Council for Circular Economy (ICCE) | Event Management Intern | On Site    May 2022 - Jun 2022**

Interned in event management at ICCE, coordinating ICEF '22 at India Habitat Center on June 2nd and 3rd. Core team member involved in circular economy-focused event hosting corporate leaders, global industry experts, and government officials. Enhanced networking, knowledge, and organizational skills."

---
